

Items required for the registration of chemical disinfectants

In terms of the Compulsory Specification for chemical disinfectants as published by Government Notice No. 1119 (Government Gazette No. 41186) of 20 October 2017.

The following items are required for an application for the registration of a chemical disinfectant formulation.

NOTE 1 All application documents shall be in at least one of the official languages of the Republic of South Africa.

NOTE 2 An application for the registration of a chemical disinfectant formulation shall not be considered when the applicant owes any outstanding fees to the NRCS, or when the applicant has failed to comply with Regulations 2 and 3 relating to the payment of fees in the form of levies and fees for services provided as published by Government Notice No. R. 924 (Government Gazette No. 33615) of 15 October 2010.

A Proof of payment

Proof of payment of a non-refundable application fee for the registration of the chemical disinfectant formulation as published in the Government Gazette in terms of section 14(3)(b) of the National Regulator for Compulsory Specifications Act, 2008 (Act No. 5 of 2008). The amount of the non-refundable application fee may be requested from the NRCS CMM Approvals Section:

MANAGER: APPROVALS
Tel No.: +27 12 482-8772
E-mail: CMMAPPROVALS@nrcs.org.za

B Technical file

A technical file for the chemical disinfectant formulation as set out in NRCS form No. CMM FM 8054-2.

NOTE An application for the registration of a chemical disinfectant formulation shall not be considered when the applicant owes any outstanding fees to the NRCS, or when the applicant has failed to comply with Regulations 2 and 3 relating to the payment of fees in the form of levies and fees for services provided as published by Government Notice No. R. 924 (Government Gazette No. 33615) of 15 October 2010.
