

Dear valued Stakeholders

## IMPLEMENTATION OF ENERGY EFFICIENCY DATABASE FOR LOA APPLICATIONS

Further to our previous correspondence on the subject matter (refer to our public announcement in July 2020, the subsequent training workshops held between 3 and 11 August 2020, and our letter dated 3 December 2020), we wish to confirm as follows:

1. As of **1 April 2021**, all LOA applications for the energy efficiency of electrical and electronic apparatus covered by the scope of VC 9006 and VC 9008, shall be submitted via the new system, the Energy Efficiency Database only. The LOA safety applications shall continue to be submitted via the CRM System.
2. The Energy Efficiency Database can be accessed on the website: <https://www.applianceregistrationdatabase.org.za/>
3. During the month of April 2020, the NRCS in conjunction with its partners will run further training workshops on the Energy Efficiency Database. The dates will be communicated as soon as possible.

We thank you for your participation and ongoing support for our efforts to modernise the application process in order improve our service levels.

Regards

**Bongani Khanyile**  
General Manager: Electrotechnical
